SUMMARY OF TELEPHONIC INTERVIEW

Dear Sir:

On June 28, 2007, a telephonic interview was conducted between Examiner Michael Le and the undersigned. The rejection of claim 1 was discussed, and particularly, how Commons fails to disclose or hint at the subject matter conceded by the Examiner to be missing from Haimowitz. The Examiner explained that he has construed the claim terms "cleaning" and "modifying" broadly, and that even though Commons does not disclose the specific features conceded to be missing from Haimowitz, that the combination of Haimowitz and Commons discloses the claimed subject matter. The undersigned disagreed with the Examiner's assessment.

No agreement was reached in the telephonic interview.

Respectfully submitted,
